BODY CONFIDENCE CANADA AWARDS 2016

AWARD RECIPIENTS

Abby Green

Youth

Abby Green, 22, a recent college graduate, is a radio producer, blogger, writer, singer, ukulele player, anime fan, avid cosplayer and disability advocate. She has had the genetic disorder Osteogenesis Imperfecta, also known as brittle bone disease, since birth and is in a motorized wheelchair.

Abby's hobbies include playing video games, shooting videos for her YouTube channel, watching unhealthy amounts of Netflix, and playing with her cat Layna. Abby believes your life is your message to the world so make sure you say something that matters.
